Message from Shirley

Dear Brothers and Sisters

What a great time we had in Deming at the March Meetings! Our thanks to the Deming lodges for hosting a super event. The accommodations and meals at the Grand Hotel were outstanding and greatly appreciated. The committee reports at the morning session were great and there was time for questions and explanations by the committee chairmen. It made for a lively and enjoyable time.

I have made three of my visits to Rebekah Lodges and have the rest scheduled. I will visit with Triple Link and Mountain View at a joint meeting on May 17. I am planning on Olive Branch and Friendship in June.

In July is Annual Picnic and everyone needs to make their plans to attend. We have such a beautiful Recreation area and if you have never been there or has been a 🙀 long time, you should make the effort. Remember, this is YOUR campground and the Board of Governors work very hard in making this a pleasant and enjoyable place to be.

I would like to encourage all lodges to support the Bettye Miller Scholarship by I finding deserving applicants. Please take the applications to your local school or if you have a family member that is interested, give them one as well. Remember this is the only project of the Rebekah Assembly and we offer scholarships to vocational, technical schools as well as 4 year colleges or universities.

> Happy Spring, Shirley Baty, President

All these reports plus the reports of the Grand Master and President will be in the Advance reports of the Grand Lodge and Rebekah Assembly to be held in September in Albuquerque. Some of the information is summarized in this issue of the Reporter.

After the Planning Board Luncheon, the Grand Lodge went into closed session and the GL Degree was conferred on 1 candidate. Upon the closing of the Grand Lodge, the Rebekah Assembly went into closed session to confer the RA degree.

A delicious banquet was served by the hotel and the evening concluded with a presentation by the NM Canton.

A very enjoyable time was had by all and our thanks to the Deming Lodges for hosting this event.

Encampment Holds Meeting

Laurie (city of Deming) Dee, Barb

Albuquerque Encampment #4, the only Encampment charter left in New Mexico, voted at their last meeting to hold meetings just prior to the March Meetings, in March and the Grand Lodge session in September. This will allow for Patriarchs who live throughout the jurisdiction to remain as active members and attend meetings. The meeting held on March 18 was the first of this kind and we welcomed Patriarchs from Deming as well as a guest from Arizona, Grand Scribe Henry Imel.

Chief Patriarch, Sandi McWatters presided over the session where the Patriarchal degree was conferred on Jean Lovelace of Alamogordo #25 IOOF.

One of the items under discussion was our affiliation with the Arizona Grand Encampment since the charter of the NM Grand Encampment was surrendered a year ago. This has been approved by SGL, and GS Imel assured us that we would be welcomed with open arms into the Grand Encampment of AZ. Several of our members are planning to attend the GE session in October.

Have Money.....Need Students

The Scholarship Trustees from the DD Monroe Scholarship and the Bettye Miller Scholarships are putting out an appeal to all Lodges and members in New Mexico. With the very generous donations from Lovington ★ Lodge #44, both programs have enough money to fund several scholarships. What is needed is applicants. The applications and requirements are on the websites—Odd Fellows www.ioofnm.org and Rebekahs 🖈 www.nmrebekahs.org. A great way to make a difference in your community is to promote this excellent tool.

From Dee's Desk D'Elva Emert, Assembly Secretary

We had a great time at the March Meetings in Deming. The lodges there were wonderful hosts. Thanks Deming

Secretary's received packets at those meetings with the semi annual reports with Code Book and NM Constitution updates in them. Please send your check paying for those updates before the Assembly books close on June 30th. Lodges that were not represented will receive the packets by mail. Also if you are making a donation to any of the projects please send that also. The exception is the President's project. Those monies can be turned in until Assembly.

There are still lodges that have not submitted the reports for the period ending Dec. 30, 2015. Those reports need to be completed and your per capita tax paid.

Before long we will be attending Grand Lodge and Rebekah Assembly in Albuquerque. I know it seems a long way off but time goes by quickly. Make your plans now to attend. Rebekahs will be meeting during the morning this year and Grand Lodge in the afternoon. So if you are eligible to sit in the Grand Lodge you can attend both sessions. And vice-versa. This was tried for the first time last year and it seemed to work well. What was your opinion? Did you like the new structure? There may be surveys passed out to all in attendance for advice and opinions on how to continue with the re-structure.

Let me leave you with this little quip: One day my housework-challenged husband decided to wash his sweatshirt. Seconds after he stepped into the laundry room, he shouted to me, 'What setting do I use on the washing machine?' 'It depends,' 'What does it say on your shirt?'

He yelled back, 'NEW MEXICO STATE!'

New Mexico Canton #1

Captain Andy Shanley presided at the semi-annual meeting of the NM Canton on March 18 just prior to the March Meetings of the Grand Lodge and Rebekah Assembly. In addition to the NM members present, Henry Imel, GS of Arizona, was welcomed.

Discussions were centered around a call received from SGL regarding our interest in affiliating with a proposed 4-Corners Department that was being considered by the General Military Council. The purpose is to bring together the Cantons in the western states under one department for representation at the GMC. After considerable discussion it was decided that we were not interested due to the travel that would be required to participate. Brother Imel advised that Arizona had also declined to be a part of this proposal. We will advise the GMC that we will remain as we are.

After the financial report was given, it was determined that there were enough funds to make a charitable donation. Nita Imel advised of a local group that the Deming Lodges supported called Healing House, a domestic abuse shelter. A motion made and voted to give them \$300.00. Nita called them and made arrangements for a representative to be present at the banquet this evening to accept the check.

We were honored to have Hilda Moran of the Healing House present to accept the check and give a short presentation of the purpose and activities of the organization.

Big Brothers/Big Sisters

Dan Stouffer, local director of the Big Brothers/Big Sisters of Albuquerque was the guest speaker at Harmony Lodge #1 recently to discuss and explain their unique fund raising program. Allen Shanley, NG, has chosen the BB/BS as his project for the year. The program is unique as it encourages the organization (Harmony) to propose to its members a

used clothing and small useable household goods drive, and choose a date to have everyone bring what they have collected to the Lodge Hall. BB/BS will send a truck to pick up whatever has been collected, weigh it and give the Lodge a check for what has been donated. The money raised can be used however the lodge wishes. The donated goods are collected by BB/BS and turned over to Savers Thrift Stores, who pays BB/BS for what they have delivered. It is a win/win program—donating goods to BB/BS and receiving a check in return. Harmony will be announcing their collection date and will be advising all members by post card to participate in the activity: "Spring Cleaning" - Clean your Closets for Charity". We are inviting anyone who wishes to join us in this fun and different program to contact any Harmony member to be put on the mailing list to receive the information of the collection date.

* Editorial notes from Barb:.....

What a great time we had in Deming! **
Thanks to the Deming Lodges!! Good Job!

I apologize for the lateness of this paper. It was ready to go last week, but when I heard about Roberta White, I re-arranged and changed it so I could include the info about this very special Rebekah sister.

Please remember to send in news about your lodge and your members. We really are one big family and families want to hear about other family members. Also, send in change of names, addresses, and email addresses.

Don't forget, if you want your paper to sent to you via email, let me know.

Thanks to all who submitted articles and information for this issue.

Remember to Share the Good News about Odd Fellowship!
